TABLE ROCK KIWANIS TABLE TALK

November 2, 2017

HOT FLASH

We had one of our better turnouts in recent months last week. President Paul Robbins got the crew rolling with nine of us helping him along. The rollers included Frank Marksman, Dana Collins, Joe Guerra, Joan Isaacs, Harry Gerhard, Jan Bettenburg, Laura Hall and Jerry MacLeod.

Our guest was our speaker Jason Licato from the Rogue Valley Mobile Pac.

Paul kicked off the meeting with the induction of our newest member, Laura Hall. Her sponsor, Jan Bettenburg, pined her and everyone congratulated Laura on joining the club.

Laura gave a brief rundown on her bio. She is originally from Minnesota and is the oldest of seven siblings. She met her husband, John, at Wynona State College and they have adopted two boys, one is now 23 and the other 16. She worked as an ophthalmic technician for 17 years but is now a stay-at-home mom. She loves to shop at second-hand and antique stores and enjoys travelling.

THE CAN is lurking next to Joe and is craving to be fed. For Pete's sake don't leave until you appease it.

NOVEMBER BOARD MEETING: Halloween is over so it is safe to go out and come to Tuesday's board meeting at Harry's office. We particularly need you board members there, but everyone is invited. You can always look forward to Joani's Goodies. Be there at 6:00 with your shoes on. (You probably aren't wearing bells.)

SEE'S CANDY SALES: Harry will probably have an order form for pre-sales today. The more we sell now the more we will sell overall. The trailer will be set up at Albertson's for sales the day after Thanksgiving. I will have a trailer schedule available next week. Please be thinking about when you can work. There are not very many of us to work this year so we really need your help.

MEDFORD PARKS HOWL-O-WEEN PARTY: Close to 1,000 kids and parents flocked to the Santo Center on Friday dressed in all manner of costumes. The Haunted House was very popular and there were lots of screaming. Several jump houses were in use and in the big hall a bunch of lively games kept everyone occupied. I was the booger in the Frank-n-Booger game. Kiwanians from the Medford club and possibly Ashland were there. As a booger I was not privy to all the goings on outside the nose.

TIP OF THE WEEK

Use WD-40 to remove crayon from walls. Spray it on the marks and wipe with a clean rag.

THE SUPER POT

No one sold tickets last week. I am sure it will happen this week.

LIFE IS SHORT. SMILE WHILE YOU STILL HAVE TEETH.

HAPPY BUCKS

- **Joan Isaacs** was there but was incognito. (We didn't recognize her with brown hair.) Anyway she is sneaking off to Salem to visit her mom and sister.
- **Harry Gerhard** is very sad. After a very brief onset of cancer his brother passed away. Harry missed last week's meeting so he could visit with him before he passed. He did get a chance to visit with his brother's son who Harry hasn't seen in a long time.
- **Dana Collins** paid a buck (actually a pile of change) for something. He will have to enlighten us because my notes said: No cat. And leaioed. Beats me what I was trying to write.
- **Frank Marksman's** happy buck is for his 16 year-old granddaughter. She has a job at Old Navy and loves it. Frank's wife had her final cancer treatment and doesn't have to have surgery. She is feeling fine.
- **Jerry MacLeod** and wife Sandy had a fun time at the Surf and Turf dinner sponsored by the Roseburg Kiwanis Club. Also, Granddaughter Madison is enjoying her new job at Spectrum Orthotics.
- **Jan Bettenburg** is happy she got a bunch of grandbaby time while her daughter and husband were here for a visit.
- **Paul Robbins** submitted a happy buck to celebrate that he was here.
- **Laura Hall** is happy she had joined the club and also her son is running in the state cross country meet.

REMEMBER, WOMEN ALWAYS HAVE THE LAST WORD IN AN ARGUMENT. ANYTHING A MAN ADDS AFTER THAT IS THE BEGINNING OF A NEW ARGUMENT.

WORDS FROM KIDS

Today, in her cutest voice, my 8-year-old daughter asked me to start recycling. I chuckled and asked, “Why?”

She replied, ‘So you can help me save the planet.’

I chuckled again and asked, “And why do you want to save the planet?”

“Because that’s where I keep all my stuff,” she said.

INTERCLUBS

Sandy and I picked up another interclub by attending the Roseburg Kiwanis Surf and Turf dinner.

SPIRITUAL AIMS

AN AFFORDABLE LIFESTYLE

***You aren't living within your means if
you have to borrow money to do it.***

There are two problems with borrowing money; one is obvious and the other is a bit more subtle. The obvious drawback to borrowing money is the fact that you have to pay it back. Repayment never seems like a problem when the loan is made, but that's only because the repayment schedule hasn't started yet. When the due date approaches, the stress increases.

The subtle problem with borrowing is that it distracts you from focusing on God. Debt demands your attention. You are either scurrying to pay your creditors, or you are busy hiding from them. You'll find few spare moments to be meditating on God if you're constantly worried about the next monthly payment. It is difficult to see God when you are buried in debt.

Avoid getting into excessive debt. Better yet, avoid borrowing whenever possible. Adjust your lifestyle so you can manage with the money you have.

**OPPORTUNITY MAY KNOCK ONCE, BUT TEMPTATION BANGS ON THE FRONT
DOOR FOREVER.**

QUOTE OF THE WEEK

“The secret of a good sermon is to have a good beginning and a good ending; and to have the two as close together as possible.” (George Burns)

PROGRAM

LAST WEEK: Jason Licato spoke to us about the Second Annual Rogue Valley Mobile Pack which occurs on November 18. With this effort our community will be making a difference by hosting this event. Each year the group hand-packs meals for children and starving families around the world.

Businesses, churches, sports teams, families, and individuals all played a part in the 2016 event when they packed 124,632 meals and raised over \$30,000 to pay for the meals. Nearly 600 people in the Rogue Valley came together to make this event happen, and a total 341 children were fed for an entire year.

The 2017 goal is to hand-pack 153,296 meals. This year they need 750 volunteers to reach this goal. Children ages 5 and up can volunteer. The meals will go to the Philippines and/or Haiti.

There are three sessions available on November 18. They are 9-11 am, 12-2 pm, and 3-5 pm. Several of our members have signed up for a 12-2 shift.

THIS WEEK: Harry had hoped to schedule the Central Point Police drug dog but not sure that will happen.

NEXT WEEK: TBA

FHOOD FOR THOUGHT

Why does “fat chance” and “slim chance” mean the same thing?

QUESTION OF THE MOMENT

We appear to have a dearth of cow milkers in our club. Dana Collins was the only one who came close in guessing how many squirts from a cow's udder does it take to fill a one gallon bucket. His guess was 280 but it actually takes 350 squirts. Dana fished out a bag of truffles from the MYSTERY BAG OF STUFF. You anatomy buffs should be able to get close to today's question.

HOW LONG DOES IT TAKE FOR A SINGLE HUMAN BLOOD CELL TO MAKE A COMPLETE CIRCUIT THROUGH THE BODY?
